«Gemeinschaft in der Streudiedlung, am Beispiel Schoried»

25. Juni 2021, Horw
Hochschule Luzern
Technik & Architektur

Wenn's aabäred a dä Rainä,
d Schneegleggli streckid d' Chepfli firä,
de chamä doch äs bitzli scho
vom baldigä Friälig gspirä.

Wenn's wiit umänand de griäned,
Gross und Chly sitzt a dr Sunnä,
de dänkid dia altä Liitli scho:
Jetzt hemmers wieder gwunnä.

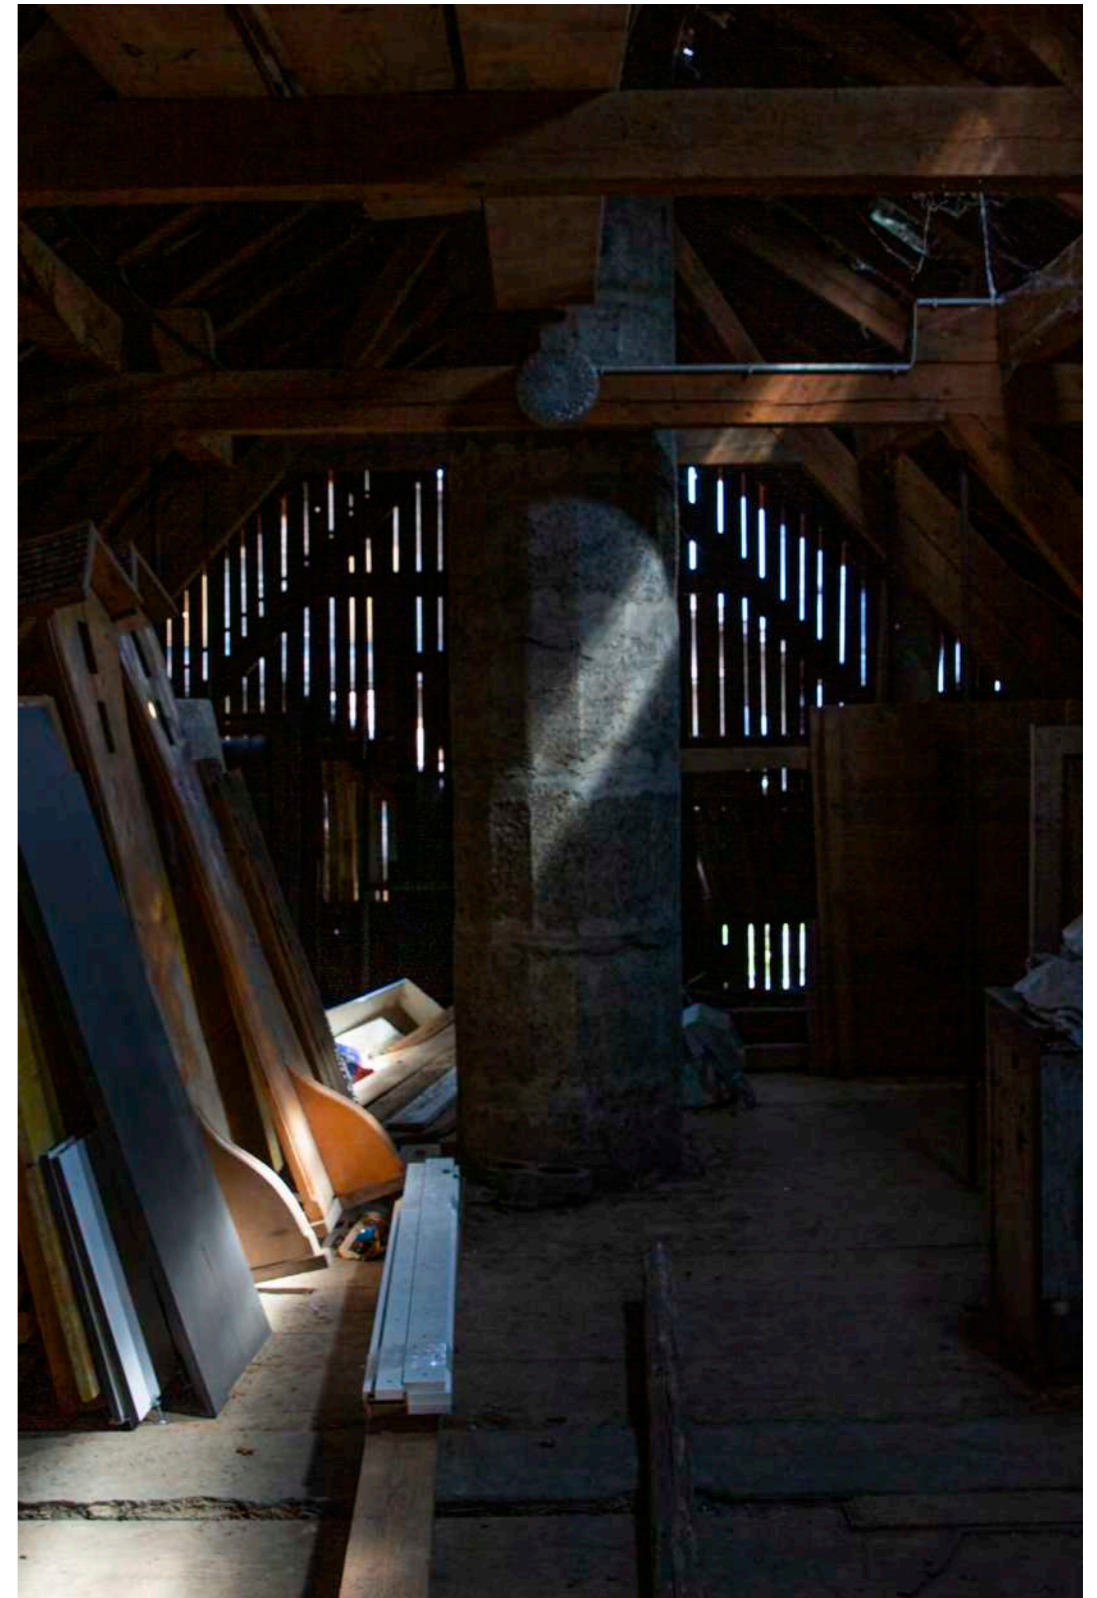

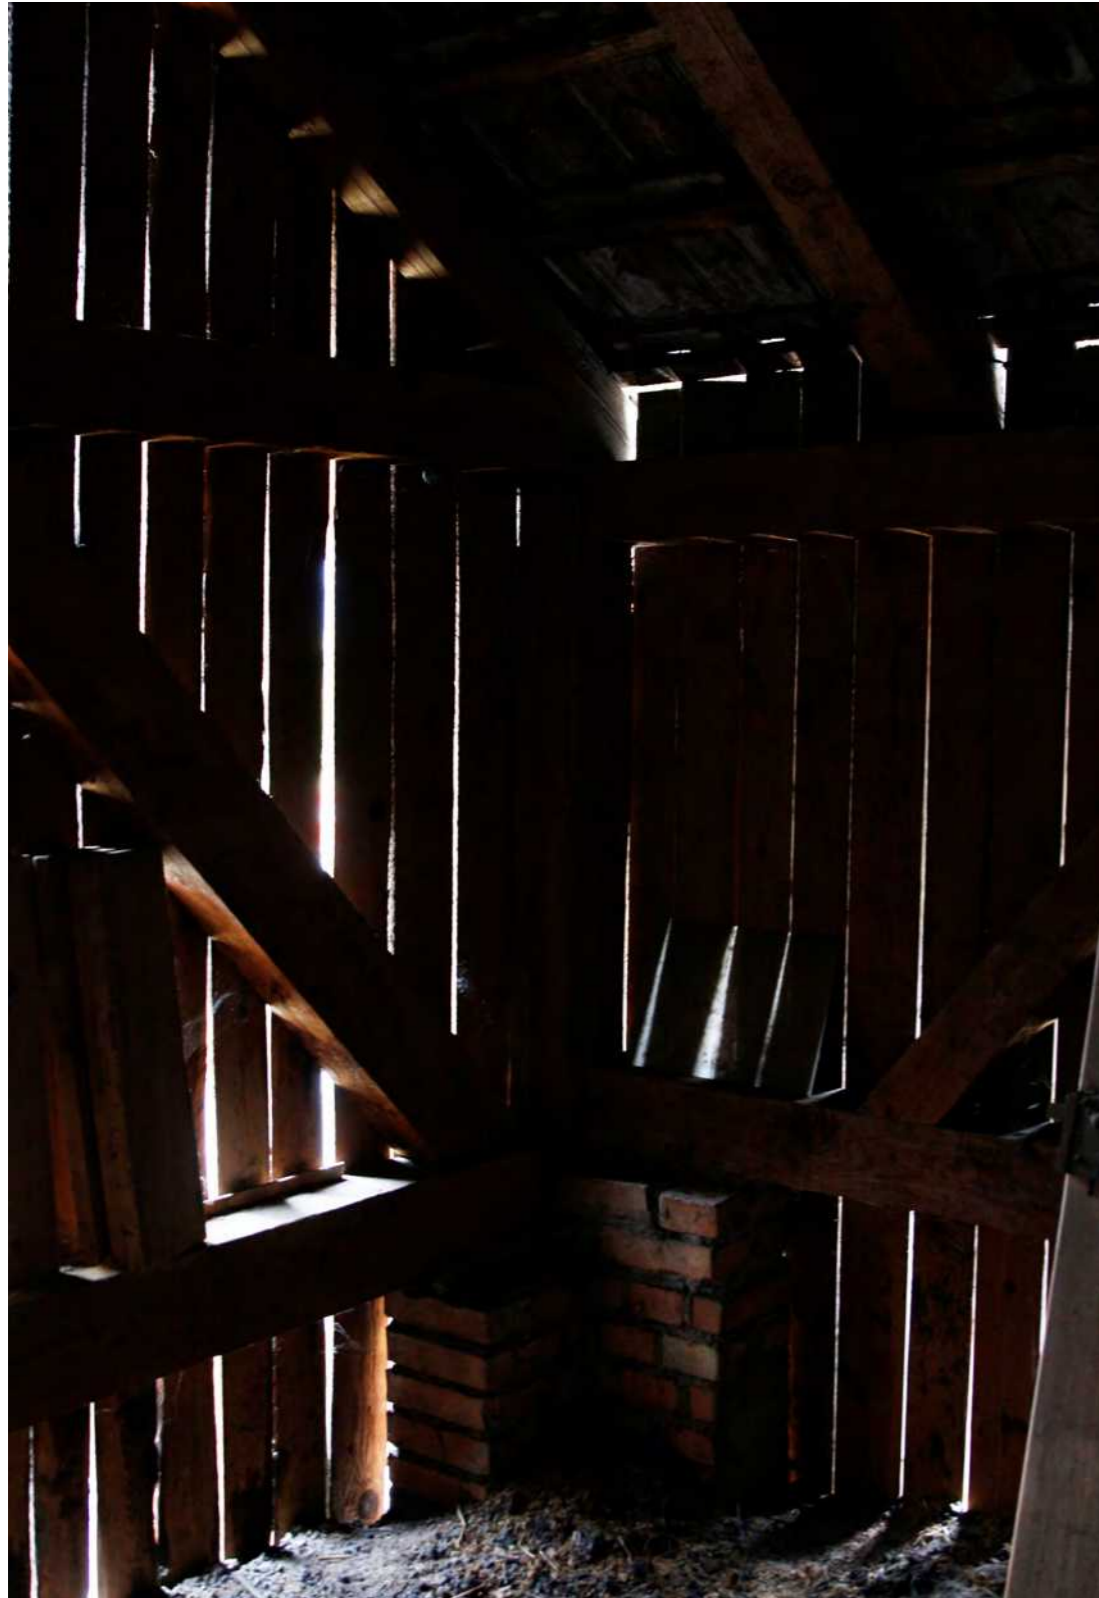

Und Chaischt uf jeder Mattä
saftigs Gras und Bliämli ha,
de freid sich Liit und Veh vo Härzä,
de isch dr Friälig da.

De gits Chriäsi-, Birä- und Epfelbluest,
äs isch ä Pracht im ganzä Land,
aber ds Wachstum und Gedeihe,
das lyd i Gottes Hand.

Marie Kiser - Krummenacher
